Avis Car Rental and Budget Car Rental Coming to Tunica Airport

New service will offer extended hours and increased availability of car rental services

TUNICA, Miss., April 30, 2013 – The Tunica County Airport today announced it has expanded its car rental service through a partnership with Avis Car Rental and Budget Car Rental. The addition of Avis and Budget will give travelers rental opportunities in Tunica at competitive rates and with a wide range of options for travelers including Emergency Roadside Assistance, GPS navigation devices, satellite radio and other ways to make each visit a special experience.

“Having two car rental services working to meet the needs of our travelers is going to make their airport experience easier and more convenient,” said Eric Konupka, deputy director of the Tunica Airport Commission.

Visitors to Tunica will be able to rent Avis and Budget vehicles seven days a week from 7 a.m. until 9 p.m. The same choices of cars and specialty vehicles available at other Avis and Budget locations will be offered at the Tunica Airport.

In addition to providing extended service hours, one-way rentals will also be available. Previously, car rentals at the Tunica Airport required renters to return the car locally in Tunica. Now, renters can return a one-way rental in Tunica or at any Avis or Budget location across the country.

“Travelers who may be visiting surrounding cities or who utilize the Tunica Airport as one travel component can now return their rental in Tunica or continue by car from the airport,” said Konupka.
